Re: Dail Moses-Taylor v. Greyston Foundation, Inc.
Civil Action No.: 7:21-CV-6756 (NSR)(JCM)

Dear Judge Roman:

This firm represents Greyston Foundation, Inc. in the above matter. We write jointly with Plaintiff's counsel to respectfully request a two week extension to the current deadlines for Plaintiff's enforcement motion. (Dkt. No. 73.) The reason for this request is that Defendant will effectuate settlement in the coming days, thereby rendering moot Plaintiff's proposed enforcement motion. The parties, therefore, propose the following new deadlines: Plaintiff will serve, not file, her motion on October 27, 2023; Defendant will serve, not file, its opposition on November 27, 2023; and Plaintiff will reply and file the parties' motion papers on December 18, 2023. This is the parties' second request for an extension to the deadline for Plaintiff's enforcement motion.

While Plaintiff joins this request and is eager to finally resolve this matter, she reserves all rights and remedies as concerns the settlement payment. We thank Your Honor for his attention to this matter.
